New President

BES welcomes Dr Alyn Morgan

The BES welcomed its new President, **Dr Alyn Morgan**, at its recent Spring Scientific Meeting. Dr Morgan said, "It is a privilege to take on the role of BES President in this, our 60th anniversary year. I look forward to working on behalf of our entire membership to ensure that the Society continues to go from strength to strength".

2023-24 Council Officers

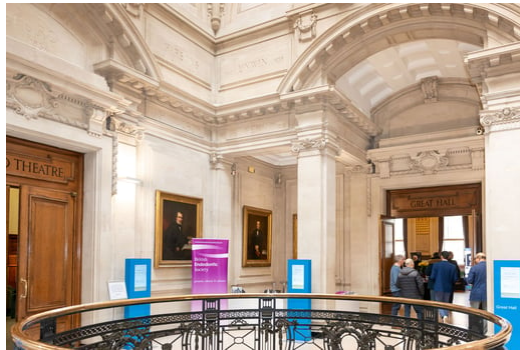

Past President Message

A few words from Dr Maria Lessani

It has been my honour to have served the British Endodontic Society (BES) as President for 2022-3 term. I am really pleased that the goals set out at the beginning of the year have been achieved as well kickstarting more projects than I ever expected! The achievements could not have been possible without the support and hard work of council. I have started my journey in council with colleagues and walk away with friends. It has been a pleasure to have been part of this great team and do so much in this period. **Read more below...**

Spring Scientific Meeting

First event of 2023

Our inaugural event for 2023, held on the 11th March at One Great George Street, London, was a celebration of our 60th anniversary. The event proved to be a great success. We would like to thank everyone involved in the event and we do hope that those of you that attended found it of real benefit. We look forward to seeing you at a future event soon.
