### NEC Dentistry Show

**13th & 14th May**

The BES team had a very successful 2 days at the NEC event earlier this month and it was fantastic to see so many of you at the event. Our support of the Specialty Interest Theatre was well received by all attendees and our sincere thanks go out to Dr Sanjeev Bhanderi, Mr Alyn Morgan and Dr William McLean for the lectures they delivered over the 2 days.

## EARLY CAREER GROUP

### Study Day

#### Saturday 2nd July

Join us for our first Early Careers Group Study day at The Royal College of Surgeons, London. There are 3 pathway sessions to choose from:

1. Newly Qualified Dentists interested in Endodontics
2. Postgraduates preparing for the MEndo Examination
3. Newly Qualified Dentists with a Masters in Endodontics

### Regional Meeting

#### Fri 18th & Sat 19th November

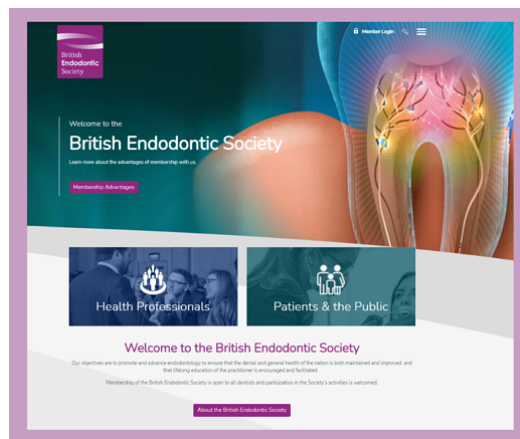

The Meeting will feature a two day scientific programme, Table Clinics and an Exhibition, all to be held at City Hall, Cardiff. There will also be a Conference Dinner and Band at Cardiff Castle on the Friday evening.

You are advised to book your accommodation early as the city is very busy hosting a sporting event that weekend. Booking for the meeting will be open soon.

## Membership Updates

We hope you like the look of the new website. We have recently added new membership categories for Dental Foundation Trainees (DFT), Dental Core Trainees (DCT) & Academic Clinical Fellows (ACF).

Please help us spread the word to potential new members!

## And finally...

### Awards & Prizes

Our range of prizes looks to celebrate the clinical, academic and educational excellence of students through to experienced practitioners in both primary and secondary care.

The 1st July deadline is fast approaching, so if you are intending to enter any of the following prizes or awards, please submit your entries in good time.

- The General Dental Practitioner Prize
- The Foundation Dentist Prize
- Inspirational Full-time Lecturer Award
- Inspirational Part-time Lecturer Award
